

USask Show and Go System

Vaccine status of individuals must be verified by host or event lead.

Accepted form of verification

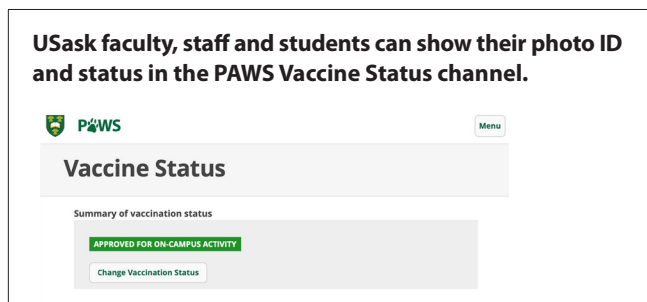

Manual review of ID plus one of the following vaccine verification options:

- Download and use the **SK Vax Verified app** to read QR codes on their device – No personal data is shared or retained. More information can be found on the **Gov't of Saskatchewan's website**.
- Manual review of Sask vaccine app data; or
- Manual review of COVID-19 vaccination record from Public Health or My Sask Health Record.

Not an accepted form of verification

- Paper wallet cards received at the time of immunization will NOT be accepted.

⚠ No information will be collected or stored using the show and go method.

THOSE WITH AN ACCOMMODATION WHO DO NOT HAVE ACCESS TO PAWS MUST PROVIDE:

- Identification; plus
- Negative rapid test from within last 48 hours.

For hosting school groups or similar, a responsible delegate (teacher, principal) can review and attest for the both the vaccine status and identity of those coming, preferably before arrival to Campus.

⚠ Please note: University personnel will be completing random vaccination audits in areas available to the public, to ensure adherence to the vaccination protocol.
